## **REASONS FOR ALLOWANCE**

### ***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 2/08/2007 has been entered.

### ***Allowable Subject Matter***

2. Claims 1-10 are allowed.

The following is an examiner's statement of reasons for allowance: none of the prior art of the record discloses a phase detector for a phase locked loop for digital input signals in which the digital summed value for a particular number of bits is equivalent to zero, said phase detector having a plurality of sampled and digitized digital sample value being supplied to said phase detector, comprising a delay stage for delaying the digital sample values by one or more sampling clock periods, a subtraction stage, to which the undelayed and the delayed digital are supplied to produce a differential value, and a filter or control stage, to which the output of the subtraction stage is supplied at the output of the filter or control stage which a phase error can be tapped off, characterized in that a processing stage is provided, located between the subtraction stage and the filter or control stage, which assigns one of a plurality of possible output values, to the

differential value, wherein a full differential value range is subdivided in a number of sub-ranges corresponding to the plurality of possible output values, so that each differential value falling within one of the sub-ranges will get a same output value assigned.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
